INTRODUCING

AURA

Discover a fusion of supreme comfort and high-stretch compression with our new Aura collection. Made with our irresistibly soft brushed fabric, aura affords you unrestricted movement whether you're headed to the gym, a yoga class, or simply lounging at home. We've strategically placed sculpting seamlines to not only draw in the waist but also enhance the natural shape of the glutes.

AURA

Our all new minimal Aura bra styles are a low impact design meant for individuals who wear an A or B cup.
